LEADERSHIP

Leadership & Founder Profile

Pramod Aggarwal

FOUNDER & MANAGING DIRECTOR

A seasoned technical expert and entrepreneur associated with the electrical industry for over 25 years. A graduate of Raj Rishi College (1992), with specialised expertise in electronics engineering, air-conditioning systems and industrial power distribution layout.

10 Years Electronics

Founded Electrika Inc. in 2002.

BNI Member, 7+ Yrs

Active in CSR initiatives.

DIRECTION

Strategic Vision & Business Policy

Strategic Vision

To excel and establish ourselves as the most trustworthy provider of top-notch electrical products in the industry.

Long-Term Business Policy

Aligned with world-class principal manufacturers, guided by a long-term vision that builds permanent relationships.

Electrical infrastructure is a facility's **central nervous system** — a poorly planned system wastes energy, inflates bills, causes machinery downtime, and creates safety risk. Electrika Inc. plans for smooth, safe and efficient power delivery from day one.

WHY ELECTRIKA INC.

Engineering power you can trust

1 Architect Collaboration

Direct planning alongside project architects and interior decorators.

2 Power Load Analysis

Mapping socket load needs, phase distribution and peak consumption.

3 Schematic Re-Planning

Converting raw layouts into optimised power blueprints.

4 100% Certified Supply

Supplying verified raw materials, conduits and switchgear.

High-mast transmission infrastructure

TRACK RECORD

Why Clients Recommend Us

20+ Years Expertise

Deep technical domain knowledge in industrial power distribution.

Authorised Distributor

Direct ties with the world's top brands ensure 100% genuine products.

Superior After-Sales

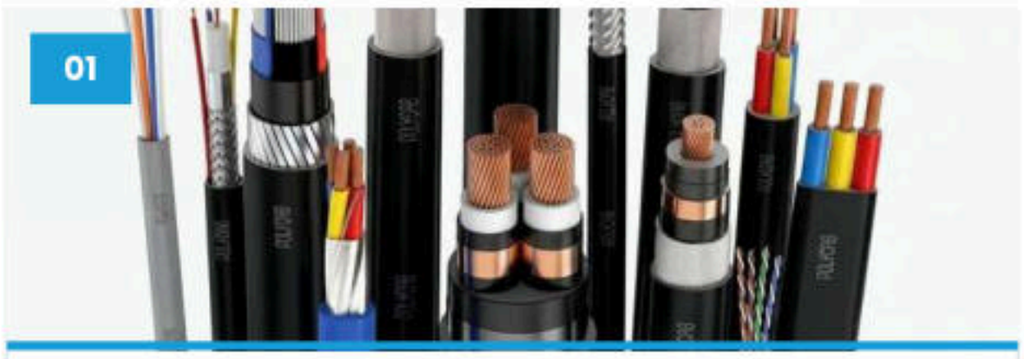

On-time delivery, competitive pricing and dedicated support.

02

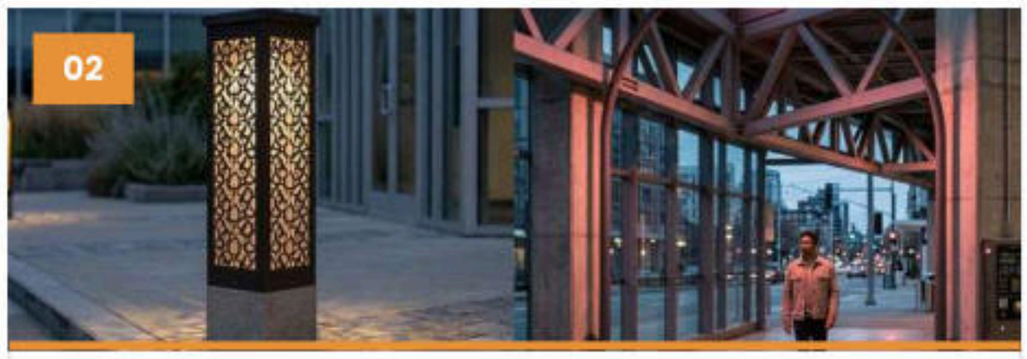

PRODUCT RANGE

Comprehensive Product Portfolio

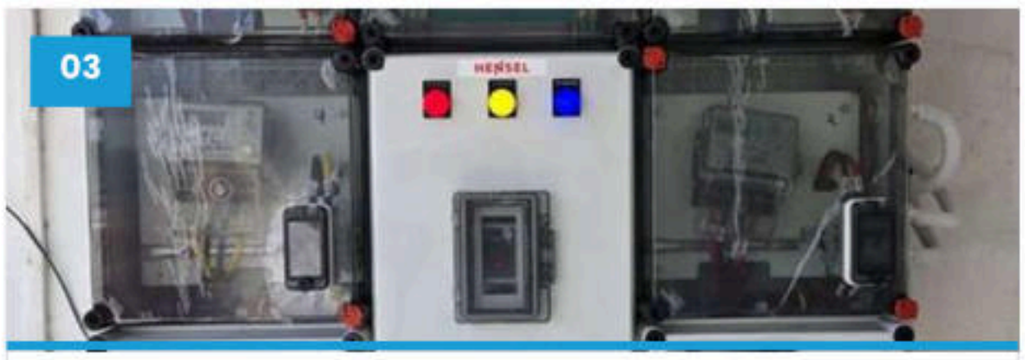

Wires & Power Cables

HT/LT armored & unarmored cables, flexible wires, submersible and control wiring.

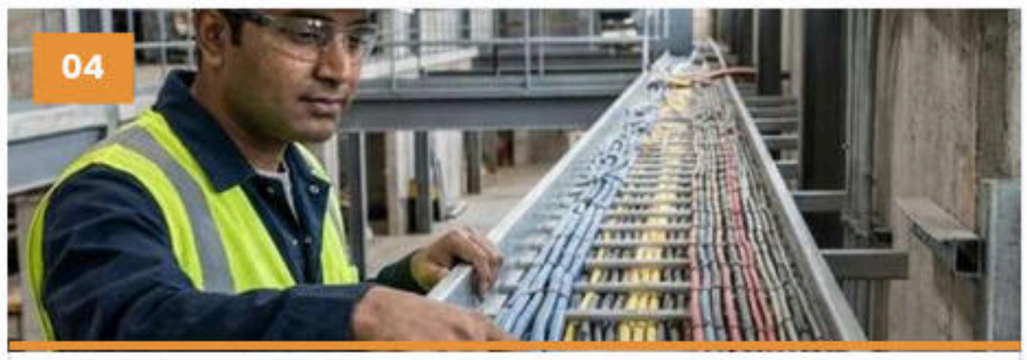

Industrial & Convention Lighting

Daily-use conventional lights and industrial lighting solutions.

Switchgears & Panels

MCB, MCCB, ACB, distribution boards (DB), ACDB/DCDB and custom control panels.

Cable Trays & Conduits

Perforated & ladder cable trays (MS, GI, hot-dip), UPVC and rigid conduit pipes.

Flameproof Equipment

FLP equipment rated for zone-1 and zone-2 areas with explosion risk.

Weatherproof Equipments

IP-65/66/67 weatherproof junction boxes with full weatherproof protection.

Lighting & GI Poles

Industrial high-bay & flood lights, octagonal GI street light poles and high masts.

Solar Supporting Products

Solar mounting structures, array junction boxes (AJB), chemical earthing & ESE arresters.

Custom Fabrication Services — custom junction boxes, ACDB/DCDB and panel enclosures, built to client blueprint specifications.

TRACK RECORD

Key Clients & Testimonials

Client Organization	Representative	Scope of Work
Honda 2-Wheelers	Sachin Aggarwal, Utility Manager	Industrial Electrical Goods Supply
Maruti Udyog Limited	Agam Prakash, Asst. Project Manager	Automotive Plant Electrical Setup
Jtekt Sona Ltd.	Vivekanand Tiwari, Corp. Admin Head	Facility Power Fitments
Taiki Sha India Ltd.	Manish Kukreja, Purchase Manager	Turnkey Component Supply
Centre Park	Vipin Aggarwal, Asst. Manager Purchase	Commercial Project Infrastructure

Target Sectors Served

- Industrial Factories & Warehouses
- Architects & Interior Designers
- Electrical Consultants & Contractors
- Builders & Corporate Purchase Heads

Key Installations

- SBE Systems, Gurgaon
- Servotech, Delhi
- Military Engineering Services (MES)
- High-Density Panel Wiring Setups
